

Did you know that:

- One in 110 children in the U.S. are diagnosed with autism. (1 in 70 U.S. boys)
- Autism affects children of all races and economic levels.
- More than 7,000 San Diego children and families are living with autism and Autism Spectrum Disorders.

Behind the statistics are real **CHILDREN** that need help **NOW.**

The MISSING Piece is YOU!

Just by joining us on March 27, you are helping us to create and expand local programs and services in the areas of:

- early detection and interventions
- after school activities
- educational programs and classroom materials
- teacher, parent and caregiver training and workshops
- supports and treatments for every stage of life - from diagnosis to adult transition
