

NFAR Autism Awareness Padres HomeStead Donation Sharing

We welcome San Diego County Autism related non-profits, Schools and teachers to help us celebrate April Autism Awareness month at the Padres Homestead.

The San Diego Padres and Padres Foundation have selected NFAR as one of the 11 charity partners for their upcoming season as part of their "11 in 2011" campaign.

NFAR is honored to be a part of the 2011 Padres team. This recognition offers a great opportunity to spotlight the needs of those affected by autism in San Diego and increase support for autism treatment programs and resources in our community.

As part of Autism Awareness Month, NFAR will be the featured charity for the Padres season opening homestand April 5-13 at Petco Park. NFAR and autism will be highlighted through ballpark, including a special pregame ceremony at the April 12 game.

We invite everyone to join us at Petco Park to celebrate and help increase autism awareness.

By purchasing tickets for any of the home games April 5-13 online and entering the promotional code AUTISM you will not only receive a deep special discount on tickets, but NFAR will receive a \$5 donation.

As an autism organization, NFAR wants to share the field with you! **We want to help raise money for your nonprofit organization or school.** Simply invite your staff and families to purchase tickets to any of the Padres homestand games listed above using the AUTISM promo code at www.padres.com/promo and collect the ticket stubs. NFAR will send your organization the \$5 per ticket donation. -

What you need to do:

- a) Make your families and staff aware of this event, the discount promo code AUTISM and to purchase online at www.padres.com/promo
- b) Collect qualifying tickets from people after the game
- c) Fill out the form below and send in with tickets
- d) You will receive a check in the mail (\$5.00/valid ticket)
- e) Spend the funds for autism related programs and products

Additional questions? Email us at info@nfar.org.
